---

# Yes; We Are Open.

The pandemic has dramatically shifted the way we shop, eat and live. As more places ease restrictions and open for business, precautions must be taken to encourage social distancing and minimize the spread of COVID-19. While CDC guidelines continue to shift during this time of uncertainty, organizations must be proactive in order to keep everyone healthy. From advertising curbside pickup and new hours to creating space at check-in and check-out, KDM has the social distancing solutions you need to safeguard employees, customers and the community.

Our solutions are versatile to meet your organization's needs, with a variety of sizes, substrates and applications. Leverage KDM's professional print capabilities to create a completely customized, branded look. Additionally, we provide on-sight installation services. Contact us for a complimentary consultation and contact-free, on-site assessment to craft a social distancing solution that helps you market smarter and safer.

## Walk this Way

Comply with the CDC's recommendations for social distancing with directional signage, floor decals and other metering techniques. Encourage social distancing at schools, stores and the workplace with floor graphics that illustrate where to stand and guide you through the space. Our vinyl floor graphics are durable enough to resist the wear and tear of high-traffic areas and can be customized with your company colors and design aesthetic. Lay the groundwork for a safe and healthy environment with floor graphics by KDM.

## A Sturdy Reminder

Encourage social distancing and personal hygiene by placing signage in high-visibility areas. Our collection of stands and holders give you maximum flexibility to put your message where you need it most. Further control crowds with retractable belt stanchions, take-a-number dispensers and “now serving” signage and digital displays. Promote curbside pick-up with our pop-up canopies. And, keep clean hands top-of-mind with portable hand sanitizer stands and dispensers. However you wish to display your commitment to safety, KDM has the hardware solutions to help you do it.

## Welcome Students Back Safely

After months of distance learning, welcome students back with a learning environment that promotes safety. Installing print solutions that remind students and staff to wash their hands and stay at least six feet apart will go a long way in minimizing the spread of infectious diseases. Whether you need decals for hallways, mirror clings for restrooms or signage for classrooms, KDM has the print capabilities to deliver back-to-school safety graphics during this unprecedented time

## Dining + Shopping at a Distance

Inviting customers back to your location while making them feel safe can be a challenge. Stores and restaurants must comply with public health guidelines in order to encourage social distancing. Whether you are looking for contact-free ways to display your menu, create distance between diners and shoppers or entice customers to come back, KDM has the print capabilities to meet your health and safety needs.

# Partitions + Barriers

## Limit Contact While Being Face to Face

While encouraging social distancing with signage can be effective, installing a physical barrier provides more reassurance for customers and employees. We offer a variety of partitions and barriers for virtually any setting or application. Need a cost-effective barrier with minimal installation? Our plastic economy safety barriers are an ideal option. Need a more sturdy partition? Our crystal clear acrylic barriers come in a variety of sizes and configurations, including optional pass-through windows for hand-to-hand transactions. KDM's partitions and barriers are a practical solution for public health in a time of uncertainty. Contact us for installation and/or customized graphics options.
