

Why choose KDM as your partner for store environments?

KDM has the flexibility and knowledge to help you create compelling, localized store environments that provide meaningful brand experiences.

Whether you need an entirely new retail environment design, an exciting restaurant remodel or engaging merchandise displays, KDM's skilled team of designers and craftspeople focus on every detail of your location and bring it to life.

KDM makes extending the design of an established in-store environment easy for franchises. From design and fabrication to production and installation, we can help you create a consistent brand experience at multiple locations with distinct store layouts.

When it comes time for installation, we not only craft the components in-house, but can also install them on-site!
